INTRODUCTION

Welcome to Waverley Christian College

The College exists to support Christian families in the education and training of their children. In a society which rejects the infinite, personal God of the Bible and humanity’s responsibility to Him, the College seeks to provide an environment that presents the truth of God our Creator, and the only hope of humanity, being salvation through our Lord Jesus Christ.

It is the intention of the College to work with families by supporting them and reinforcing Biblical values and standards of conduct. The College is characterised by diverse, challenging, and rich educational experiences within a loving and caring environment. It is our desire that each student both finds and fulfills their potential in God. The College seeks to provide a well balanced and innovative curriculum that meets the needs of every student, from the slow learner to the academically gifted.

We believe school should be a place where children are encouraged to develop positive attitudes about school and themselves. We believe each child is precious and unique in God’s sight and that we, as Christian teachers, must provide a worthy example for the children under our care. We acknowledge our need to depend upon the enabling power of the Holy Spirit.

It is our hope and desire that students attending Waverley Christian College will experience not only academic success, but also spiritual, social, emotional and physical blessing.

“And all your children will be taught by the Lord, and great will be the peace of your children.”

Isaiah 54:13

SCHOOL GOVERNANCE

GOVERNING BODY OF THE COLLEGE

The College is conducted by CityLife Church. The Directors of the Church appoint a School Council to be responsible for the running of the College.

ADMINISTRATIVE STRUCTURE

The Principal is the first in authority and responsibility within the College. A Head of School is appointed to assume full responsibility in the absence of the Principal.

The College is divided into two sub-schools:
Primary (Kinder to Year 6)
Secondary (Years 7-12)

A Head of School is responsible for each sub-school.

The child’s class teacher/home group teacher should be the first point of contact for matters of information, clarification or concern. More serious concerns should be addressed to the relevant Year Level Coordinator.

SCHOOL ENVIRONS

Waverley Christian College is situated in the outer eastern suburbs of Melbourne. The nearby attractions and facilities include Mount Dandenong and major shopping centres of Knox City and Glen Waverley. A well serviced bus route runs past the College connecting students to both of these shopping centres which are, in turn, major hubs to many other bus routes. A major train route to the centre of Melbourne is also available at Glen Waverley.

The College is comprised of numerous general classrooms, staff areas and Administration. The specialist areas within the school are: Music, Art Technology, Science, Computer, Gymnasium, Performing Arts Centre and Library.

The equipment provided in the school for use in teaching methods includes: computers, AV equipment (TV/VCR/DVD players, digital video projectors, video cameras, digital cameras, interactive whiteboards) musical instruments, science laboratory equipment, art and visual communication, and technology, wood, metal, plastics and electronics.

A second campus was opened in 2012 at Narre Warren South and in 2013 is offering classes from Prep to Year 8.

ADMISSIONS POLICY

Only those students who will enhance the fulfillment of the College’s spiritual mission will be admitted to the College. The College will admit students of any race, gender, national or ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to its students. It does not discriminate on the basis of race, gender, national or ethnic origin, or financial hardship in administration of its educational policies, admissions policies, scholarship, athletics and other College-administered programs.

A primary focus of the College is to train Christian young people of every ability in the highest principles of Christian leadership, determination to find God’s will for themselves, personal integrity, and good citizenship. Accordingly, the College will admit only those students considered by the Principal to be best able to comply with a disciplined program which sets high Christian standards.

It is the general policy of the College to enrol only children from Christian homes who are themselves Christians; (and where at least one parent is involved in regular fellowship in a local church); who accept the Bible as God’s Word and who are willing to submit to its principles as final authority. In practice, this will mean that each student will be committed to regular and active involvement in a local
church; will honestly endeavour to abide by all the College regulations; will refrain from any drug, impure or obscene language, and immoral behaviour; respect authority without being critical or fault-finding.

Students are expected to maintain Christian standards of honesty; to strive to be of unquestionable character throughout their enrolment; to dress in a neat, clean and modest manner and be well-groomed.

All new students are admitted on probation for their first Term. Their progress will be reviewed before their second Term.

ENROLMENTS
All new families seeking admission into the College must be interviewed by the Principal or his representative. The interview process seeks to ensure prospective families and students are in harmony with the principles and vision of the College as a Christian school. The interview also provides the opportunity for a detailed explanation of College policies.

RE-ENROLMENT
Each year, at the beginning of Term 3, a re-enrolment form is sent home to all families. Parents are required to indicate their willingness, or otherwise, to continue their children’s education at the College, as well as complete church attendance information. This procedure assists in maintaining the spiritual focus of the school community.

STUDENT DEFERAL, SUSPENSION AND CANCELLATION OF ENROLMENT

Student enrolment can be deferred, suspended or cancelled in limited circumstances by Waverley Christian College or by the student. When deferral, suspension or cancellation of enrolment is initiated by the College, students have the right to appeal the decision.

Once an overseas student has enrolled in a course, the College will not allow the student to defer commencement of studies, or suspend studies, except on the grounds of illness, evidenced by a doctor’s certificate, or other exceptional compassionate circumstances beyond the control of the student, for example, bereavement. If a student defers or suspends the studies on any other grounds, the College will report the student as not complying with visa conditions to the Department of Immigration and Citizenship (DIAC) via PRISMS.

The College will cancel the enrolment of a student under the following conditions:

- Failure to pay course fees
- Where a student elects to withdraw from their program within the College’s policies
- Misconduct as defined by the College’s policies
- Failure to maintain a continuous valid enrolment
- Where a student is not attending classes and cannot be contacted
- Failure to comply with any applicable standards of conduct, statutes, regulations, policies and procedures of the College which provide for enrolment deferral, suspension or cancellation as an outcome of such failure to comply
- Failure to meet the College’s progression standards
The final decision for assessing and granting a deferment, suspension or cancellation lies with the Principal.

WRITTEN AGREEMENT
Students and their parents/guardians will be required to enter into a written agreement with Waverley Christian College which identifies the course or courses in which the student is to be enrolled and any conditions of enrolment; provides an itemised list of course money payable by the student; provides information in regard to the refund of course money; sets out the circumstances in which personal information about the student may be shared between the College and the Australian Government and designated authorities; and advises the student of their obligation to notify the College of a change of address while enrolled in the course.

CURRICULUM
The curriculum comprises the total educational experience offered to students by the College. It is organized on the basis of involvement in a wide range of subject areas. The curriculum takes a unified approach spanning both Primary and Secondary levels. Key features of this approach are:

- The student is assisted in realizing his or her potential as created by God, implying personality development in the physical, emotional, social, aesthetic, moral and spiritual spheres.
- No arbitrary distinction is made between “educational” and “spiritual” perspectives, education being for the total person - spirit, soul and body.
- An integrated curriculum which is student-orientated, maintaining a balance between educational tasks and each student’s individual development.

TEACHING AND ASSESSMENT METHODS
Teaching methods employed by the College include teacher generated learning (eg. face to face) and student generated learning (eg. research, practical work). The assessment methods used include assignment (eg. aural, visual or written presentation) and testing. The expected outcome from the successful completion of the five year study course in the Secondary School (Years 7-12) is the Victorian Certificate of Education.

STUDENT PLACEMENT
It is expected that each student be proficient in both verbal and written English Language prior to commencement of enrolment. The latest school reports and other applicable qualifications obtained to date will be used to determine placement. English Language Proficiency will be assessed by using either a DELTA test, an IELTS rating or an Exit Report from a registered provider of English Language Training.

STUDENT COUNSELLING AND SUPPORT SERVICES

THE COLLEGE'S INTENT
The intention of Waverley Christian College in providing an Overseas Student Program is to offer a
service to overseas students who are seeking enrolment at the College and whose relatives would usually be living in Australia. It is not the College’s intention to actively seek to attract students from overseas.

To this end, Waverley Christian College requires its overseas students to make their own arrangements for living in Australia. It is the expectation that students will have family, relatives, or friends in Australia that will provide the level of support necessary for them to function effectively within the school environment.

**ORIENTATION PROGRAM**

On arrival:
1. Staff are briefed in order that they may help the student settle into life at the school
2. Office staff will assist the student with registration fees, visa applications, student health cover, text book lists and school uniform
3. Structured social activities will be organised by the relevant class teacher
4. (Primary) or the Year Level Co-ordinator (Secondary) throughout the year
5. An Orientation Program is conducted by the Head of School at the commencement of each school term
6. Orientation programs provide assistance with cultural assimilation, integration with local students, expectations of the school, VCE requirements, educational differences, study techniques, homework and critical incident procedures

**ACCOMMODATION**

The College expects that the student’s family will make the student’s living arrangements with family or friends.

A letter from the parent(s) of the student, addressed to the College stating that approval is given for the accommodation arrangements is required.

It is the College’s preferred position that students will be living with a parent or relative. All students under 13 years of age must be living with a parent or close family relative (e.g. aunt, uncle, grandparent). For students aged 13 years and over who will not be living with a parent or close family relative, the following will apply:

**SCREENING**

A police check will be conducted on the homestay provider.

**SELECTION**

The homestay provider will be required to show that the environment for the student ensures safety and is conducive to study. A visit to the home will be undertaken and the following areas will be assessed:
- Student has their own room with an adequate and well lit study area
- Student has a desk and adequate storage and power points
- Public transport is easily accessible
- Geographic location of the home to the College
Other areas of consideration include:

- the occupation and age of the homestay provider and his/her spouse
- the work routine of the homestay provider and his/her spouse
- educational backgrounds of the homestay provider and his/her spouse
- number and age of children in the family
- attitude towards the Christian ethos of Waverley Christian College
- social habits of the host family
- safety within the home environment
- security issues related to property location
- family pets and ambience within the home

**MONITORING**
All homestay families will be carefully monitored by periodic visits. Any complaints from the student will be investigated by the Overseas Student Co-ordinator.

Should a student’s family require assistance to find suitable accommodation, the College will provide names of local Real Estate agents.

**EDUCATIONAL COUNSELLING**
The Heads of School (Primary and Secondary) are responsible for overseeing the educational development of the students.

i) The academic progress of the students is carefully monitored and parents are kept informed by School Reports.

ii) Where necessary, direct contact is made with parents.

iii) Career counselling regarding subject choice and tertiary entry is given by the VCE/Careers Co-ordinator.

iv) Each student is individually interviewed by the Careers Co-ordinator and Careers Information Sessions are held throughout the year.

v) Students are assisted in making university applications.

vi) Year Level Co-ordinators provide assistance with strategies for study and advice on time management.

**INDICATIVE COSTS OF LIVING**
Students will need additional money for their day to day expenses such as clothing, transport, entertainment (e.g., a return train trip from the College to the city costs around $10.10, cinema ticket $12.50, CD $30.00). The amount per week would be in the range of $50.00 to $200.00.

**STUDENT CONCERNS AND GRIEVANCES**
Normally student concerns are resolved through the processes of educational and personal counselling. The College provides an experienced, approachable and caring group of staff members who are available to counsel students on matters of educational and personal concern. The process is
Where a student is not satisfied with the assistance given and believes that he or she has a complaint or grievance against the College, the following formal procedures will operate. In an attempt to resolve the situation:

1. The student will provide a formal written lodgement, with supporting documentation, which outlines the nature and details of the complaint or grievance. The process must commence within 10 days of receiving this formal complaint or grievance with minimal or no cost to the student.

2. The student will contact the Overseas Student Co-ordinator to represent his or her case in the first instance to the Year Level Co-ordinator who will consult with staff members, Chaplain, Bursar, as appropriate.

Should the issue remain unresolved then:

1. The Year Level Co-ordinator will then refer the student’s case to the Head of School. Should the issue remain unresolved then:

2. The student’s grievance will then be referred to a panel consisting of the Principal, a member of the School Council, and an independent person.

At any stage in this process the student’s parents or host parents may be contacted in order that they may assist and/or represent the student in the process. The student may at any stage nominate any person of their choosing to represent and/or accompany them at meetings.

The complainant must be given a written statement of the outcome including details as to the reasons for the outcome. The process must be finalised as soon as practicable.

For the duration of the appeals process, the student is required to maintain enrolment and attendance at all classes as normal. The Principal will determine if participation in studies will be in class or outside of classes.

In the event that a dispute is not settled within the school then either party may request the involvement of the Overseas Students Ombudsman. The Overseas Students Ombudsman offers a free and independent service for overseas students who have a complaint or want to lodge an external appeal about a decision made by their private education or training provider. See the Overseas Students Ombudsman website www.oso.gov.au or phone 1300 362 072 for more information.

**DISCIPLINE PROCEDURES AND SANCTIONS**
Teachers will apply appropriate sanctions that follow from the Biblical Principles, standards and rules set by this Code of Conduct.

The College considers that discipline is training. Christian discipline is achieved by training in godliness. Godly training does not eliminate the need for corrective discipline. Rather it forms the context in which corrective discipline can most helpfully take place.

Corrective discipline seeks to: bring about reconciliation among members of the College community; restore the student who has erred and bring freedom from guilt; and maintain the purity of the College. Discipline, properly motivated, and applied is an act of love. It is never intended to be a punitive measure applied in isolation from motives of love and care for the individual. Rather, disciplinary measures are applied for the good of the student and his or her ultimate well-being.

Sanctions are graded in severity with the emphasis on students being accountable and learning to take responsibility for their behaviour.

If a student does not comply with any reasonable and clearly communicated instruction of a Principal or teacher, or infringes College rules, then sanctions will be applied.

Sanctions may include:
- discussion between student and teacher
- demerits
- yard duty
- withdrawal of privileges
- detention
- parental contact
- behaviour card
- withdrawal from class
- Saturday morning detention
- suspension
- expulsion

The Student code of Conduct is available from the College.

**COURSE PROCESS AND DURATION**
The duration of courses is set down in the College’s Letter of Offer sent to each new student. Students are required to complete their course within this time limit. Students are regularly assessed in accordance with the course guidelines as set out in the VCE Policy Handbook and the Secondary Student Handbook to ensure that the course will be completed within the specified duration. All students should
attend classes and complete the assessment activities for all units required for a particular qualification. Information for each course will be given to students at the commencement of that course.

An extension to the specified duration of the course will only be granted for compassionate and compelling circumstances; when an intervention strategy is in place where a student is not meeting satisfactory course progress; or where an approved deferment or suspension of study has been granted. The College will record the variation and reasons for it in the student’s file, as well as report the student via PRISMS and issue a new CoE if required.

**ATTENDANCE**

Students are encouraged to be in regular attendance unless unavoidable. Excessive absences negatively impact on a child’s progress.

A minimum 80% attendance rate is required for all students (VCE students 90%) at all scheduled lessons and activities to enable satisfactory completion of units. The student attendance is monitored as follows:

- **Primary** — the classroom teacher marks the roll in Periods 1 and 5.
- **Secondary** — the teacher marks a roll in Periods 2 and 6.

Late arrivals at the College are also recorded.

A record of attendances is maintained and a note of absences will be included in half year and end year reports to parents/guardians. Attendance records are monitored by Primary classroom teachers and Secondary subject teachers. A written note, signed by a parent or guardian, must be presented to the student’s teacher on return from any absence. If the absence is foreseeable, or will be protracted, a note should be sent in advance, or as soon as the length of the absence is known.

Any absence longer than 3 consecutive days without approval will be investigated.

Students at risk of breaching the College’s attendance requirements will be counseled and offered any necessary support when they have absences of more than 20% per term (9 days). Both the student and parent/guardian will be notified and attendance and coursework closely monitored by relevant teachers. Where a student passes the absence threshold, the College will advise the student of its intention to report the student for breach of visa condition 8202, and that the student has 20 working days in which to access the school’s internal complaints and appeals process.

An exception to this process is in circumstances where the student produces documentary evidence clearly demonstrating compassionate or compelling circumstances e.g. medical illness supported by a medical certificate and has not fallen below the 70% attendance rate.

If a student is assessed as having nearly reached the threshold of 70% attendance, the Primary and Secondary Heads of School will assess whether a suspension of studies is in the interests of the student as per the College’s Deferment, Suspension and Cancellation Policy.

No student may leave the College during the day without permission. Before permission is granted, a note stating the reason and signed by a parent, must be brought to the teacher. In the case of a medical or dental appointment, an appointment card should be presented. Parents are encouraged to make all such appointments, if possible, outside of school hours.
PUNCTUALITY
All students are required to be on time for the start of school. Students who are late to College should bring a note from parents explaining the lateness. Unexplained lateness may result in a detention. Continued lateness will necessitate a conference with parents and the College.

TRAVELLING TO AND FROM COLLEGE
Students using public transport should be quiet and courteous, being seated where possible, except when an adult needs the seat. No student is to stand in a doorway, or eat or drink whilst travelling. Bags should be kept out of the way of other travellers. Uniform should be worn correctly whilst travelling to and from the College.

DELIVERY AND COLLECTION OF CHILDREN
Students must not arrive at the College before 8.15 a.m. Primary students must be collected by 3.30 p.m. and secondary students by 3.50 p.m. The school cannot assume responsibility for the safety of children in the school grounds outside the times specified above.

AFTER SCHOOL SUPERVISION
The stated school policy requires primary and secondary students to have been picked up within 15 minutes of dismissal time. This means primary students should have departed by 3.30pm and secondary students by 3.50pm. Where families have both primary and secondary students, the 3.50pm departure time applies.

If students are involved in an official after school activity eg sport, dance, chess, detention, Bible Club etc, then siblings must either:
   i. be working in the library (secondary)
   ii. be waiting with their parent/carer

This means that no student will be left unsupervised in the school grounds.

Primary students not collected by the appropriate time will be sent to the Bible Club and parents billed accordingly. Where students are involved in official after school activities, parents are asked to be prompt in picking their children up at the conclusion of the activity to save any unnecessary waiting around.

AFTER SCHOOL PROGRAMS
There are a number of After School Programs available for both Primary and Secondary Students.

These include programs such as Bible Club, Dance, Choir, Orchestra, and Homework Club.

The Bible Club for Primary Students runs from 3.15pm to 6.00pm each week night during the school term. It includes an afternoon snack, programs for varied indoor and outdoor activities and where practical, homework supervision. The emphasis on the program is Christian focused activities and learning.

Application forms and further details concerning the running of these programs and current prices may be obtained from the General Office.
BUS SERVICE
The College provides a bus service that runs from Wantirna South campus to the Narre Warren South campus in the morning, and returns from Narre Warren South to Wantirna South in the afternoon. The bus departs from Wantirna South at 8:20am and returns to Wantirna South at around 4:00pm. Primary-aged children who use this service are welcome to join one of the After School Programs at Wantirna South upon their arrival.

Application forms and further details concerning the bus service may be obtained from the General Office.

REPORTING TO PARENTS
The College uses the following means of communication to parents. Most of these will give indications of how your child is progressing, working and behaving.

Take advantage of all information arriving home!

PRINCIPAL’S AWARDS
These are awarded in recognition of an excellent level of effort by students in all aspects of the curriculum. They are also awarded to students whose personal qualities enhance the tone of the classroom.

ENCOURAGEMENT AWARDS (PRIMARY)
These are awarded by teachers to acknowledge a student’s personal effort in a particular area.

HOMEWORK DIARY
The responsibility for academic achievement is placed on students. Realistic goals are set and if the student does not meet those set for the day, he or she will be required, at the discretion of the teacher, to complete the work at home. Should the student have homework, this will be indicated in the diary. The diary is to be signed by the parents and returned the next day.

Continual uncompleted daily goals indicate the need for attention and follow-up.

PROGRESS REPORTS
The grading system of our College is designed to give parents a true indication of the student’s progress and standard of learning. The College academic year is divided into four Terms. Parent/Teacher interviews are conducted at the end of the First and Third Terms while detailed written reports are sent home at the half-year and end of year.

Where a student has failed or has achieved unsatisfactory results in more than 50% of subjects in a term or semester an intervention strategy is implemented which includes but is not limited to: academic skills support; study groups; mentoring; tutoring; reduction in course load; placement in a suitable alternative course; personal counseling. The strategies or combination of strategies will be tailored to the student’s needs.

Within the context of the College, a new Conditions of Enrolment will need to be issued if the student is placed in a different course within the College, or the course load is reduced and thereby changes the duration of the course. These changes will be advised via PRISMS.
If, after one term, the student’s progress remains unsatisfactory, the College will inform the student in writing that he/she will be reported for unsatisfactory course work. The student has 20 working days in which to access the College’s complaints and appeals process. The College will maintain the student’s enrolment while the complaints and appeals process is ongoing. Depending on the situation, the student will continue their study either in the classroom or externally with supervision.

An unsatisfactory course progress report can result in a cancellation of the student’s visa.

ACHIEVEMENT TESTS
All students (apart from Prep classes) take achievement tests during the school year. The tests are used to measure a student’s general knowledge and mastery of reading, language, mathematic and spelling skills.

PRINCIPAL’S NEWSLETTER
This letter contains general news and announcements from the Principal to facilitate the smooth running of the College. It also includes items of interest, College events, sporting results, student achievements, staff and student contributions. The Newsletter is distributed electronically but a paper copy will be provided for families who prefer this. It is vital that parents read the Newsletter, to be fully aware of all that is happening in the life of the College.

You are welcome to telephone and arrange to come to the College to discuss any areas of concern or just to look at how your child is working. The College appreciates the interest and concern of parents and encourages as much communication as possible.

DRESS CODE
The College’s dress code reflects standards of decency and acceptable presentation. The most effective way to achieve an appropriate standard of dress within the School context is by the wearing of a uniform.

Parents are required to see that students have sufficient items of uniform so that it is never necessary for a student to wear soiled, damaged or non-uniform items to College. Hair is to be groomed in a neat and appropriate manner. Shoes are to be well-polished.

Uniforms must be worn during College days and travelling to and from the College. The only exception is when students have PE. They may wear their PE uniform all day on the day they have PE/swimming. Parents are asked to ensure that students wear the correct PE/swimming uniform as detailed.

All students must wear their PE uniform in a neat and tidy manner. Students are encouraged to wear full tracksuit during the colder months but this is optional. However, accessories (ie. Parka, gloves) may only be worn over the tracksuit, not instead of the tracksuit. Uniforms may be worn outside school hours, but they must be complete. Students in incorrect uniform are required to present a signed note from their parent to their teacher explaining the reason for being out of school or PE uniform. Such occurrences should be rare and only in unforeseen circumstances.

SUMMER/WINTER DATES
Summer uniform is to be worn from the start of the College year until MID-APRIL, and from MID-OCTOBER until the end of the year.
During Term 2 and 4 an overlap period of summer/winter uniform may be permitted at the discretion of the Principal. Winter uniform is to be worn from MID-APRIL until MID-OCTOBER.

SENIOR/JUNIOR UNIFORM SIZES
All students must wear senior uniform once they are in the Secondary School. Primary students all wear the junior uniform.

EXCURSIONS
Normal uniform is required unless the nature of the excursion suggests otherwise, e.g. snow trips. Parents will be notified if casual dress needs to be worn.

To assist in keeping fees to a minimum, a parent from each family is asked to attend one rostered working bee per year. A maintenance levy of $100 is payable if families choose not to participate in one of the working bees. Parents may choose to attend the general working bee (held on the Saturday before school starts for the year), or be rostered on a monthly working bee.

**STATEMENT OF FAITH OF CITYLIFE CHURCH**

- We believe that the Bible is God’s unique revelation and that every word was supernaturally inspired by the Holy Spirit as it was being written down by various human authors.
- We believe that there is only one God, creator of heaven and earth, who exists eternally as three distinguishable persons - the Father, the Son and the Holy Spirit, each fully God yet each personally distinct from the other (Mat 28:19; 2Co 13:14).
- We believe that all people are created in the image of God and matter deeply to Him.
- We believe that Jesus Christ is the eternal Son of God and the Saviour of the world.
- We believe that salvation is a gift of God received through repentance and faith in Jesus Christ.
• We believe in the Holy Spirit who is equal to the Father and the Son.
• We believe in the necessity of water baptism by immersion in the name of the Godhead in order to fulfill the command of the Lord Jesus Christ (Matt 28:19; Acts 2:38-36; 19:1-6).
• We believe in the baptism of the Holy Spirit as an important experience available to every believer.
• We believe in the healing of the body by God's power as practised in the early church (Acts 4:30; Rom 8:11; 1Cor 12:9; Jam 5:14).
• We believe in the Lord's Table, commonly called “communion” or “the Lord's Supper”, for believers (1Cor 11:28-32; Matt 26:26-28).
• We believe in the reality and personality of the Devil and eternal judgement in the lake of fire for the Devil and his angels (Matt 25:41; Rev 20:14, 15).
• We believe that there is one true universal church made up of genuine believers and comprising many churches in various localities each exercising autonomous government under the headship of Jesus Christ.
