SAMPLE CALCULATION - PAYMENTS BY INSTALMENTS FOR FEES AND LEVIES

The College prefers payment of each term’s invoice in advance at the commencement of each term. However, the College appreciates that it is not always easy to meet this financial commitment. With this in mind, parents are offered the instalment payment option whereby instalments are due on the 15th of each month, over 11 months, commencing 15th January to 16th November 2009.

Sample Calculation of an acceptable payment plan:

eg A family with five children – Years 8, 7, 3, 1 and Kindergarten

		\$ Fees per year	\$ Levies per year	\$ Capital Works Levy	\$ Computer Technology Levy
First child	Yr 8	4,960	480.00	This levy is \$100 per family per year	This levy is \$200 per family per year (excluding Kinder)
Second child	Yr 7	3,350	724.00		
Third child	Yr 3	2,200	340.00		
Fourth child	Yr 1	-	323.50		
Fifth child	Kinder	1,240	160.00		
Total:		\$ 11,750	\$ 2,027.50	\$ 100.00	\$ 200.00

Total Fees/Levies for the year = \$ 11,750 + \$ 2,027.50 + \$ 100 + \$ 200 = \$ 14,077.50
