You may price your items or we can price them on your behalf. All items must be washed, ironed and in wearable condition. **(No holes, hems undone, zips broken, bad stains)** We usually work on half price for items that are in very good condition. Once the items have been sold, your fees account will be credited accordingly. For past families who have settled their fees account a cheque will be issued to you. Please ensure that the college has your latest address and correct cheque payee name.
